PROVERBS 22:6 Train up a child in the way he should go; And when he is old he will not depart from it.

God's Promises in our lives are established through Faith, and the Bible says that Faith is a Believing Confession based on the word of God.

Our Children's future is going to go in the direction of our Instructions, Guidance, and above all, the Faith we release over their lives, because they are under our Spiritual Authority.

Bellow are some Powerful Faith Confessions, based on Scripture, that You can daily use and establish over their lives.

- I am raising up children of Great Wisdom, Potential and Abilities.
- My children listen and obey their parents, their teachers and those in legitimate Authority over them.
- They are filled with the Spirit of Excellence.
- They Hear and Obey God's Voice.
- They hunger and thirst after Righteousness.
- They are diligent with their Studies, and their wisdom is beyond their years.
- They are the Head and Not the Tail.
- They are mighty upon the earth – They are pure and Holy – They guard their mouths – They are true Worshipers of the Living God.
- They have Obedient hearts – They walk in Love and Faith – They have Excellent Health, and live healthy lives, their bodies are strong, well developed, lean and healthy.
- All they place their hands to do, will prosper.
- Wealth and riches are upon their lives in all their days , and they will leave an inheritance to their children's children.
- They walk on this earth, continually in divine protection, and excel in all they do.
- They receive the saving grace of their Lord and Savior Jesus Christ, everyday – They direct their lives by Faith, and Wisdom, In Jesus Name!
- They attract the right type of Friends – And they do not walk with fools.

**The Lord takes sickness away from the midst of my children and He will fulfill the days of my children according to EXODUS 2:25-26.**

It is so, unto my me and my children, in Jesus Name! AMEN.

USE IT AS OFTEN AS POSSIBLE, BECAUSE YOU, ARE ESTABLISHING THEIR COURSE FOR LIFE IN THE SPIRIT.
