

GET ACQUAINTED WITH PASTOR CALY

Pastor Caly was born in a traditional Roman Catholic family and was automatically brought up as a Catholic. **HE SAYS:** I was taught to go to church and make my confessions to the local priest, and that by so doing these things, as well as keeping the ten commandments that I would attain to a godly state, and thus would bring me to salvation because this would make me a good person, and that all my praying was to be made to Mary the mother of Jesus, because she had attained to a Holy state and thus was a mediator between me and her son Jesus. I attended Catechism, and served as an altar boy at the Johannesburg Cathedral, and even read scripture from the Bible to the congregation. But growing up at this time and into my mid teens, I was doing all these things and yet gradually moving in a circle of petty crime with my friends, and I realized that I could never continue to live up to these requirements set for me by the Catholic Church, and preferred to move in the circles of petty crime, when at the age of 13 I was charged with crimes that took me to the Juvenile Court, and found guilty of the crime and a suspended sentence was granted, as long as my mom and dad would be responsible for my custody, otherwise I would be sentenced to Boys Town (which was a juvenile prison).

As the years went on, the inner emptiness grew, and my religion could not fulfill it, and my drug addiction grew also in an attempt to fulfill that inner vacuum, to no avail.

This led me to join the military, which I thought was what I needed at that time in my life, in the sense of discipline and to clean up my life. This is where God's plan unfolded as He made Himself real to me through the Bible, and I gave my life to serve the Lord Jesus Christ who gave Himself first for me, so that I would have forgiveness of Sins and a New Life, called to preach His Word.

My experience is that, Salvation cannot be found in any Religion – But only by placing one's faith in the Son of God, the Lord Jesus Christ. It's this simple.

LET'S PRAY - SAY: *Dear Heavenly Father,*

I come to you through the blood of your Son Jesus, who paid the price for my sin.

I'm a sinner, and I believe in my heart that Jesus paid for my sin on the cross, so that I might be free, and have a new life in Him.

I give you my life today, come into my heart Lord Jesus, fill me with your love.

I give you my life today – Use me for your glory.

Thank you Lord Jesus for being my Lord and my Savior.

I am now yours, and you are mine for ever.

Amen!

Pastor Caly lives in Bedfordview, South Africa, and has been married to his lovely wife **Sonia** for 13 years, and they have three children **Gian-Carlo 10**, **Abigail 8**, and **Cristiano 5**.

Pastor Caly has been ministering God's Word, since 1986 when he had a radical encounter with the Lord Jesus Christ, while serving in a Special Operations Unit in SWA (Namibia) border of Angola, in the then **South African Defense Force**, at the height of the Insurgency and Angola War - He was approached to be recruited for operations in Africa and El-Salvador (Central America).

His ambition was to be a professional Parabat (Paratrooper) Instructor, and latter join Special Forces, and while praying over the decision, God spoke to him and said: **" I HAVE CALLED YOU INTO MY OWN SPECIAL FORCES."**

This did not stop him from living his dreams, in actual fact, it made all his dreams a reality.

It was from that time that he embarked in preparing for the Ministry that he is in today. Totally delivered from a life of drug addiction and violence, it was said of Ps.Caly by one of his friends, and renown South African Professional Soccer coach: *"The greatest Transformation I have ever seen! "*

Pastor Caly frequently speaks by invitation in Churches of various denominations, and is a much sought after Conference, Seminar, Business, Sports Fellowship speaker, both in South Africa and abroad.

Pastor Caly is a firm believer that: *"The only limitations in people's lives, is in their Lack of Revelation Knowledge". (Hosea 4:6)*

Faith is a Revelation, not a mental agreement of some sort. And it only comes through the hearing of the preaching/teaching of the Word of God by anointed ministers of the Gospel.

Therefore one of his favorite quotes is that: *All things are possible to them that dare believe...(Mark 9:23)*

Pastor Caly has a ministry, that is truly recognized as a ministry of excellence, where the Lord confirms His Word with Signs, Wonders and Miracles – Through which lives are saved, transformed and empowered for the Kingdom of God.
