ABOUT VICTORY BIBLE INSTITUTE

On the 10 of April 2001 during a Evangelistic Crusade being held by the **International Evangelist Rodney Howard Brown**, the Lord spoke clearly to **Ps. Caly**, and instructed him to start a **Bible College** for new generation believers, to train believers in all walks of life, as well as Five - fold Ministers of the Gospel – The **Victory Bible Institute** officially initiated it's Pilot First Year Bible Program on the 16th of February 2004, and graduated the first class of students that same year. **"The Victory Class of 2004"**

Victory Bible Institute is the Bible College of Tomorrow Today , for the **"New Generation Believer"**.

A Bible Curriculum Designed to infuse a Spirit of Faith , to build a strong relationship with God through His Son Jesus Christ , and empower Believers to be Leaders in everyday life , and take their place in the Body of Christ.

With a Curriculum equal to that of any Top Bible College anywhere in the World today , You can get **Trained for Life and Service.**

According to an article published in The Journal of College Admission (USA) "With regard to the question of academic quality, Christian colleges in general have established themselves as credible, competitive options within the world of higher education." The article also highlights the fact that, "Christian colleges...are deliberate in seeking to help students develop strong character traits such as integrity, reliability, responsibility, and honor."

A Bible Learning Institution that is Youthful , Vibrant with lots of Attitude.

If you have a passion for God , and His Word and an unquenchable desire for increased knowledge , to enable you to make the right decisions about where you need to go with your life , then **Victory Bible Institution** and it's Courses are the place for you.

WHY IS IT NECESSARY TO DO A GOOD BIBLE PROGRAM SUCH AS "VDL".

Dr. William Lyon Phelps of Yale University (USA) says:

"I thoroughly believe in a University Education...But I believe a Knowledge of the Bible without a University or College Course is more valuable than a University or College Course without the Bible.

Everyone who has a thorough Knowledge of the Bible may truly be Called Educated".

Dr. Kenneth E. Hagin of Rhema Ministries (USA) says:

Spiritual things must be learned like all other things.

Dr. Lester Sumrall -The great Evangelist Says:

Faith is a knowledge of God! You don't need more faith - You need more knowledge!

After studying at two separate Bible Colleges, and graduating on a Ministerial Major , with Distinctions from a top International Bible College , I have always thought of the importance of making the Word of God available to Believers in all walks of life , giving them a thorough Knowledge , on how to rightly divide the Word of Truth , and empower their lives.

With such great demands placed on our daily lives, and the continual demands to make conscious decisions and changes more regularly – There has never been such a demand for developing a positive Self – Esteem , Knowing who we are , and what we can do Through Christ.

This Program is not designed to give you only the letter , or head knowledge of the Bible , **BUT** Revelation knowledge of the Word of God, an impartation of God's Word into your spirit man to lead you and guide you through life , and help you make the tough decisions that daily living Requires of you.

2 Timothy 2:15 (Amp) Study and be eager and do your utmost to present yourself to God approved... correctly analysing and accurately dividing the Word of Truth.

What many have not yet realized in the Church, is that we need to continually grow in Knowledge and Spiritual Discernment to Succeed in life. **Proverbs 11:9...through Knowledge and Superior Discernment shall the righteous be delivered. I look forward to help you achieve your spiritual goals through the VDL Program.**
